

Enter your gender pay gap data for snapshot date 05 April 2020

Reporting as ALTEN LTD

For differences in hourly pay and bonus pay, a positive % indicates that men in your organisation are paid more than women in your organisation.

A negative % indicates that men in your organisation are paid less than women in your organisation.

Please enter your data to 1 decimal point.

Percentage of men and women in each hourly pay quarter

If any employees go on reduced pay as a result of the Coronavirus Job Retention Scheme (furlough), they would no longer count as 'full-pay relevant employees'. If your organisation had three or fewer full-pay relevant employees on the snapshot date, you can opt-out of providing quarter data by checking this box.
